The screenshot shows the 'Shopping Cart' page on the Sail Boston Express website. The page has a dark teal background. At the top left is the 'EXPRESS' logo. At the top right is a navigation breadcrumb: 'Search > Select trip > Passenger information > Shopping Cart'. Below the logo, the title 'Shopping Cart' is displayed, followed by a button that says 'Empty cart'. The main content is a table with two columns: item details and price. The table contains two rows for individual trips, each priced at \$15.00, and a 'Fees' row priced at \$2.00. A final row shows the total for 2 items as \$32.00. Below the table is a dark grey box with a 'Special Instructions' section containing the text: 'Please present your printed reservation to the driver, along with your government issued ID, upon boarding.' At the bottom of the page are two buttons: 'Continue Shopping' (white with a black border) and 'Check Out' (green with a white shopping cart icon).
